HR Confidential: Compensation and Disciplinary Policy

This document is confidential and restricted to the Human Resources department.

Annual performance review cycle: Reviews are held every April. Employees rated 'Exceeds Expectations' are eligible for a merit increase of 10 percent. Employees rated 'Meets Expectations' receive a 5 percent increase.

Performance Improvement Plan (PIP): An employee rated 'Needs Improvement' for two consecutive cycles is placed on a 90-day Performance Improvement Plan.

HR Confidential: Compensation and Disciplinary Policy (continued)

Disciplinary procedure: The first violation of the code of conduct results in a written warning. A second violation within 12 months results in a final warning. A third violation may lead to termination of employment.

Severance: Employees terminated without cause receive two months of base salary for every completed year of service, capped at twelve months.
